Eventbrite - Biosphere in the Bays - Culver Down and Yaverland Beach Creative Walk

Join Mark and Sara to explore the landscapes and seascape of Culver Down and Yaverland Beach and experience the Biosphere of Sandown Bay Area of Outstanding Natural Beauty (ANOB).

Come and be creative by using pastels, pencils, paints, to be used alongside the natural materials collected on the walk and learn to make pigments. You will also be able to enter the sand sculpture competition, and work with others to design and create your own themed sand sculpture.
